Conversation pieces . . .

Do not be surprised if in the coming weeks you'll hear a lot about our CHARADE . . . records . . . television shows — in other words — "big time" is in the making... I am sure all faithful Platonians will agree with me: it could not happen to a nicer and more talented bunch of fellows . . . we'll be cheering for them . . .

By the way, we recommend the purchase of their first hit record "And I Do" on Epic label . . .

FACE LIFTING: Our snack-bar is undergoing a face lifting. By school time we'll be ready to serve you with fine food at a price you can afford; we expect to be open for daytime business sometime around October 1st...

SOUNDS DEPARTMENT: some of our members asked us why we do not sponsor rock concerts? . . . We gave the idea a thought and like it. During the fall season we'll put on a few concerts featuring the best of local talent mixed with out of town bands . . . sort of "rock festival" just short of Woodstock proportion . . . but before I venture too far with predictions of things to come, let me remind you of our immediate plans: we intend to keep on featuring the **Two best bands** in the area: the

CHARADE

on Fridays and Sundays

and the

North River St. Rock Collection

on Wednesdays and Saturdays

Platonically yours:

BROTHER (CHUCK)
